

WECA'S ARCHITECTURAL HISTORY AND RESOURCES (AH&R) COMMITTEE

6:30 pm
Monday, January 14
188 Beacon St.
Home of Alex Pachkovsky

If you are interested in the preservation of the West End's amazing turn-of-the-century architecture, now is your chance to join WECA's Architectural History and Resources Committee ("AH&R" for short).

The Committee met on December 6th to begin the relaunch process. We had a good turn-out and heard from others who were not able to attend. Hopefully you can join us in January!

Although we discussed some areas of focus for the Committee, we're still open to ideas and suggestions. What aspects of the West End's Architectural History are you passionate about?

Projects that the Committee has organized in the past include:

- * Architectural walking tours
- * Workshops on the state historic tax credit
- * Historic district plaques on more houses
- * Monitoring of applications to the city's Historic Preservation Commission and development of ways to improve the Historic Preservation Ordinance
- * Maintenance and update of the AH&R page of the WECA website (<http://www.westend.org/ahr-committee>)
- * Education of ourselves and others (e.g., contractors and real estate agents) about historic and architectural preservation in Hartford and especially in the West End.
- * History of historic houses

You don't need to RSVP to come, but RSVPs (to Alex Pachkovsky ARPachkovsky@gmail.com) are helpful so that we will know about how many people to expect. If you can't come but want to be on the Committee's email list, please let us know. Questions can be addressed to any of us.

We hope to see many of you on January 14.
