This burying ground is a place of honor and history.

The condition of the gravestones is the result of time and weathering,
as well as on-going conservation efforts.

Help preserve this site for future generations by treating it with respect.

Open from 8:30 AM to 5 PM. Closed on major holidays.

This site is owned by the City of Hartford and maintained by the Parks and Cemetery Division. Park users are subject to the City of Hartford Parks and Cemetery rules and regulations, Chapter 26.

Gravestone repair and restoration is funded and supervised
by the Ancient Burying Ground Association.

The above proof is the property of G-Force Signs & Graphics and is being submitted for design approval by customer for the purpose of manufacturing and/or install. Use of this proof or any included graphics to solicit production by any company other than G-Force Signs & Graphics is expressly forbidden without written consent. Actual printed colors may vary slightly. If an exact color is needed please provide specific pantone colors to your sales representative. Exact placement and details may differ slightly as some adjustments may occur during the installation process. Please double check all information pictured (i.e. spelling, numbers etc) as the project will be produced as you see here. It is understood that any typos, misspelling or other incorrect data is your responsibility once one has signed or electronically approved this proof.
