January 29, 2019

City of Hartford, Department of Public Works  
Mr. Walter Veselka, Director  
50 Jennings Road  
Hartford, CT 06112

Dear Mr. Walter Veselka;

First, I want to congratulate you on your appointment as the Public Works Department Director. On November 15, 2018, I had a meeting with former City Superintendent of Parks Thomas Baptist, we discussed the process by which the Minnie Gonzalez Youth Baseball League, Inc. could donate to the City of Hartford two pitchers' protection stands for the existing batting cage at Hyland Park. We also discussed that the MGYBL, Inc., would like to donate the baseball equipment with the understanding that the City of Hartford will ensure that they will not be removed from such location by making them permanent fixtures inside the batting cages.

The Minnie Gonzalez Youth Baseball League has organized a summer youth baseball tournament for the children of the city of Hartford for the past 6 years. The members of this organization are concerned residents of Hartford and are volunteering their time in organizing this program in an effort to keep our youth in a positive environment during the summer. This tournament provides an opportunity to teach the principles of sportsmanship and good citizenship. We are excited to start another summer tournament. Last year we had 17 teams and more than 250 children playing summer baseball.

We would be grateful to receive the benefit of your department's expertise and recommendations regarding the best pitchers' protection equipment to be installed inside the batting cages at Hyland Park.

If you have any questions or concerns please call me at 860.922.5716 or email me at [ramonarroyo@comcast.net](mailto:ramonarroyo@comcast.net)..

Respectfully yours;

**Ramón L. Arroyo**

Ramón L. Arroyo, M.S.W.  
MGYBL Treasurer
