## HARTFORD

### DominGO! Hartford This Sunday

DominGO! Hartford is coming to Park Street on Sunday, September 25th from 9a to 3p! DominGO! is the City of Hartford's inaugural Open Streets program, presented in partnership with Hartford HealthCare, where city streets are temporarily transformed into open spaces for healthy activities, like biking, running, skating, scooting, and dancing.

The route will have three activity hubs, where there will be programmed activities and entertainment, and in between each hub the streets are open for all non-motorized use! **This is a great opportunity to bring your business outside and engage with the attendees.** When we did this event on Farmington Avenue in June, we had 5,000 attendees. We anticipate even more on Park Street!

For more information on DominGO! Hartford, including details about the street closure,
