

City Forester's Report

July 2019

Work Plan/Routine Projects

July:

- Work order creation and closing 311 requests
- Payment processing
- Inspections
- Review and approval of Westbrook Village tree removal
- Attended Colt Park tree removal meeting with Donna Swarr, Mike Looney, Jack Hale and Charmaine Craig
- MLK parking lot trees
- Reviewed planting locations with Knox in Albany Ave (outside of streetscape project) and Main Street near State House Square
- Reviewed park maintenance and trees on east side of Elizabeth Park with Mark Dowd
- Reviewed camera and tree conflicts with HPD, then showed Savatree
- Davey Resource Group tree inventory kick off meeting
- Attended the CTPA's summer meeting
- Met with CT DEEP and the office of sustainability on the 2020 Forest Action Plan
- Met with Gannon Long and interns from the Hartford Transportation Academy
- Attended the CT Urban Forest Council meeting
- Managed Elizabeth Morin, city gardener, who is assisting with the backlog of public stuff inspections
- Removal of trees at HPD shooting range

Public Stuff: I am waiting for a response in terms of reporting from the Public Stuff system. When querying, I do not seem to be getting accurate numbers. New update: they are in the process of updating the system, once that is done, they can accommodate more specific requests.
