Describe your application action(s) and provide as much detail as possible.

We want to add a front door which is safe and historic looking to add value to the property which is currently blighted. The original windows will be cleaned and remain the same. We want to paint the window shutters the same color as the door. To install a steel door on the side leading to the basement. To secure the home with updated doors that bring beauty to the home and neighborhood.

Proposed work:

Repairs

Current materials being repaired/replaced:

The current front door is white aluminum door with wood sidelites and definitely not historic or historic looking

Materials/products being used in work:

Replace with an aluminum/vinyl/steel door which is pictured in this application
