**RE: Letter of Support
92 Weston Street – Hybrid Retailer**

Dear Commissioners:

I am writing to express my strong support for the conversion of the existing Medical Marijuana Dispensary at 92 Weston Street into a Hybrid Retailer.

I am a patient of the existing Dispensary and am repeatedly impressed with their superior level of expertise, service, and operations. I am confident this long-standing facility is well-suited for the addition of adult use sales and that it will continue to operate in safe and efficient manner, particularly because the existing operator has extensive experience with adult use sales throughout the country. I also believe that the use is particularly well-suited for the surrounding area, which is predominantly large-scale commercial, and that the proposed conversion will bring several positive benefits to the Hartford community, including new job opportunities and additional tax revenue.

I thank you for your time and encourage you to approve the pending Special Permit application.

Sincerely,

Name
